

ADELAIDE OVAL HOTEL

Adelaide Oval has long been one of Australia's most recognisable and prestigious venues and hosts cricket, football, concerts, functions and major events at the highest level.

Its prominent location as the centrepiece of the Adelaide CBD's revitalised riverbank precinct makes Adelaide Oval an outstanding destination.

Known the world over as a beautiful and historic sporting venue, the Oval attracts visitors in their thousands from within South Australia, interstate and overseas. Along with sports fans, the Oval has enormous appeal to visitors with an interest in history, culture, food and wine, as well as a large contingent of business travellers.

Adelaide Oval will become the first stadium in Australia to feature an integrated hotel. The boutique 138-room hotel is due for completion in September 2020.

The hotel will feature two wings that will integrate into the existing design on either side of the East Gate. The wings will be linked by an elevated foyer and lounge pod with views into the east atrium and out to the parklands and city skyline.

Adelaide Oval is Adelaide's premier award-winning function venue facilitating over 1500 functions a year. With a diverse range of function options, featuring the finest South Australian produce and wines, Adelaide Oval provides a unique and diverse function offering.

For those who want to explore Adelaide Oval and learn more about its rich history, a Stadium Tour is the perfect choice.

For visitors seeking an adrenalin rush and breathtaking views of the city, RoofClimb takes climbers on an exhilarating adventure across Adelaide Oval's roofline.
